Subject: RE: scheduling in SkyWest Pilots ALPA Organizing Committee v. SkyWest Airlines

Dear Mr. Berzon:

We cannot agree to hold the hearing on Plaintiffs' motion for a preliminary injunction to June 7. SkyWest needs to space out the hearings on the motion to transfer and the motion for a preliminary injunction to avoid the need to bring witnesses to San Francisco if the motion to transfer is granted. As we have stated in the past, taking active Captains off-schedule is disruptive to SkyWest's operations, and potentially to its passengers. For the record, we proposed June 6 for the PI hearing, not June 7. We do regret inconvenience that the court's scheduling order has caused you.

Dear Counsel,

Our office tried to reach Mr. Spagat but we were only able to leave a voicemail message. Defendant's motion to change time initially proposed June 7, 2007 for the preliminary injunction hearing. The court has now offered June 7, 2007, as an alternative available hearing date to June 11, 2007, with which I have an irreconcilable scheduling conflict. I am able to cancel the beginning, but not the latter portion, of my trip. We therefore request that you stipulate to holding the preliminary injunction hearing on June 7, 2007, consistent with the proposed schedule in your motion to change time. If so, we will prepare the stipulation. I would appreciate your letting me know this evening if at all possible.

Thank you in advance for your courtesy and cooperation.

Sincerely,

Stephen Berzon
